

Making a Great School Even Better

Beecroft Public School Canteen

**Do you have one day a month to spare?
Or even a couple of hours?**

**We need your help in keeping our fantastic School Canteen
running!**

The Beecroft Primary School canteen is open every school day for Recess and Lunch. We offer a range of healthy food options for lunch orders and also provide a great range of snacks for sale at recess and lunch, including baked goods made on site. We also pride ourselves in being able to give back to the school each year, through P&C donations.

The Canteen is managed by Jenny Gosper and Irene Lam and staffed by Canteen Assistants and lovely volunteers from our school community (parents & carers) ~ all are welcome. Without the help from our volunteers, the canteen will not be able to run. To contact the canteen email: info.bps.canteen@gmail.com or phone 9980 7255.

No experience necessary!

We are currently looking for those willing and able to spare their precious time to help keep the canteen running. There are hourly shifts, half day shifts or alternatively the whole day shift.

Be rewarded!

To express our appreciation of your time and effort, the canteen will provide you with the following depending on your shift time:

- 1.5 hours - a Canteen Token of \$2 will be provided to you for your child to use at the Canteen for food/drink purchases.
- 3.5 hours (half day shift) - morning tea will be provided for you and a Canteen Token of \$3 will be provided to you for your child to use at the Canteen for food/drink purchases.
- 4.5 hours (full day shift) - lunch will be provided to you and lunch order(s) for your child/ren on the day you volunteer (up to \$5 per lunch order).

Come make new friends or catch up with old ones!
