

Beecroft Primary School Canteen

Do you have one day a month to spare?

Or even a couple of hours?

We need your help in keeping our fantastic School Canteen running!

The Beecroft Primary School canteen is open every school day for Recess and Lunch. We offer a range of healthy food options for lunch orders and also provide a great range of snacks for sale at recess and lunch, including baked goods made on site. We also pride ourselves in being able to give back to the school each year, through P&C donations.

The Canteen is managed by Jenny Gosper and Julie Cattanach and staffed by volunteers from our school community (parents & carers) ~ all are welcome. Without the help from our volunteers, the canteen will not be able to run.

No experience necessary!

We are currently looking for those willing and able to spare their precious time to help keep the canteen running. There are morning and afternoon shifts or alternatively the whole day shift comes with lunch provided with a \$4 credit towards your child's lunch on the day.

Come make new friends or catch up with old ones!

To volunteer:

- ring the Canteen on 9980 7255, Jenny or Julie will be happy to discuss any details regarding working at our canteen or email/call Belinda Varndell at [wbvarndell@gmail.com](mailto:wvarndell@gmail.com) /0458 214 041;
- return this form to the Canteen.

Beecroft Primary School Canteen
