Principal's Report

Relieving Executive

From next week I will be taking two weeks Long Service Leave to travel to Adelaide to watch my son Sebastian participate in Nationals for Junior League Baseball. Ms Karan McDonnell will relieve as Principal, Mrs Kim Walsh will join Mrs Irene Robbins as relieving Deputy Principals and Mrs Fiona Johnson will relieve as Assistant Principal during this time. Supervisors for each stage will remain unchanged during this period.

Early Stage 1- Mrs Kim Walsh
Stage 1 – Mrs Maddie Wigg
Stage 2 – Mrs Joanne Justic
Stage 3 – Mrs Ellen Randall

I am thrilled to work with such a talented and dedicated staff at Beecroft who are highly capable of both leading learning in their classrooms and beyond. I both thank and congratulate all of these outstanding leaders as they serve our school community and in particular our students.

NAPLAN Online Update

This year Beecroft Public School is one of 500 schools across the state to participate in the transition approach for NSW to complete the National Assessment Program – Literacy and Numeracy (NAPLAN) assessments online. The NAPLAN Online test window for Year 3 & Year 5 students will conclude this week. The testing has been an extremely positive experience for our school. I would like to acknowledge the hard work, detailed planning and careful implementation of our staff and in particular I would like to thank Ms McDonnell, Mrs Randall, Mrs Bowyer and Mrs Justic for their extensive efforts.

For more information please follow this link following. www.nap.edu.au/online-assessments/FAQs

Banksia Concert

On Monday evening the Beecroft Public School Advanced String Ensemble performed with primary school students from across the state at the 2018 Festival of Instrumental Music, Banksia Concert at the Sydney Opera House. Mrs Robbins and I were fortunate to attend and it was again an extraordinary event with our students performing an array of pieces including *Handel Highlights*, *Tango D'amour* and *Pirates Crossing* with over 200 strings musicians and 750 recorder players.

Thank you to Strings' Parent Coordinator Mrs Christine Hooper and Strings' Teacher Coordinator Mrs Fiona Johnson for organising such an amazing opportunity for our students. Congratulations to our Advanced String Ensemble students for an outstanding performance.

Extra-Curricular Opportunities

Each week, due to the generosity of our very passionate staff and parents, a variety of extra-curricular groups are on offer. Students have the opportunity to participate in a variety of school-based groups including: STEM, chess, dance, art club, debating, gardening and PSSA. Teachers and parents alike give of their time and energy to conduct these enrichment opportunities and I would like to acknowledge and thank them for igniting and fostering these varied interest groups. This week I have included photographs from two of our groups.

Chess

Our 3-6 Chess Teams coordinated by Mrs Fiona Johnson compete against local primary schools from the Hills and Dural networks each Friday after school in Terms 2 and 3. This year we have five teams of various levels entered into the competition. While the students are developing excellent skills, they also appear to be having a lot of fun. Thank you also to the parents who support these teams by escorting the students to their away games.

Art Club 3-6

Each Friday the 3-6 Art Club lead by Miss Jocelyn Shute meets. Last week the students participated in a 'royal wedding inspired' art competition. The students created detailed and stunning tiara artworks which are now on display in the Library. The standard was high and all students were fortunate to receive a small gift from Miss Shute. However, the winning students Dania H, Helena H, Sam O and Lochlann N were the recipients of the major prizes. Congratulations to all the students in both Chess Club and Art Club for your enthusiasm and passion. Thank you to Miss Shute and Mrs Johnson for giving freely of your time, energy and talent.

 English: Tuesday 31 July
 Mathematics: Tuesday 14 August

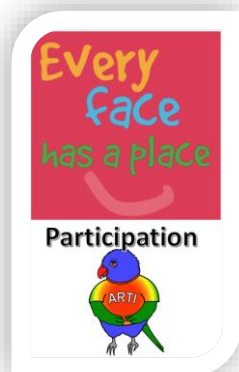

For all exams the students are asked to arrive at school at 8:15a.m. for a prompt start of 8:20a.m.

PBEL and KidsMatter 2018

This year the school's Wellbeing Committee has amalgamated the PBEL and KidsMatter initiatives. Their common goals on promoting wellbeing and positive social and learning behaviours made this a natural progression.

Take 5 for KidsMatter this fortnight promotes the benefits of inclusion and acceptance of diversity. An inclusive school environment supports the **participation** of all students in their learning, sporting and social activities. **In an inclusive community, every face has a place, every voice is valued and everyone has something to contribute.** Teachers will be promoting this theme in their classrooms over the next week and your support at home can only strengthen this message.

Sports Report

Congratulations to the forty students who are competing at the Zone Cross Country Carnival tomorrow. You will need to meet Mrs Corrigan in the team area on the hill at Fagan Park no later than 9:50a.m. The course orientation will begin shortly thereafter. Remember to eat your Weet-bix on Wednesday morning and enjoy your wonderful achievement!

Thank you to everyone who supported Leah and Angelina by purchasing raffle tickets to support their trip to Kiama, representing the Beecroft Zone in Girls Football. Fingers crossed that someone at BPS is a winner!

Don't forget that Wednesday 4 July is the annual K-6 Athletics Carnival at Greenway Oval Cherrybrook. We will require a few helping hands to make the day a success, so please keep a look out in upcoming Newsletters for more information! Currently we are looking for a parent or family member who has access to a trailer to transport 5 shade shelters to the carnival. We need to transport 9 shelters in total, however, at this point in time I am only able to fit 4 shelters in the school trailer. If you are able to assist in this area, please send me an email and we can organise this process.

Peer Support

Week 3

This week in Peer Support children, will discuss skills and how to communicate their feelings and needs to others. The children will discuss skills they use when participating in a variety of activities. When children understand they already have many of the skills needed to succeed, they can feel more confident when trying something new. The children are asked to identify events, which trigger different feelings.

Encourage your children to remember the skills they have used in one activity when trying something new. Also, encourage your child to communicate their feelings and needs.

Message from the President

Last week we had the first P&C Meeting of the term. Tanya updated us all about what has been happening at the school, including the school plan.

We also have approval for a school run project to upgrade the area between the buildings and next to the staff room into an **outdoor learning space**. This will include seating and a stage to allow not only play space but a place to conduct lessons.

P&C voted to provide the school with **\$30,000 to pay for landscaping and equipment** to make this possible. I'll keep you updated on next steps on this exciting update to the school grounds.

It was also flagged that NAPLAN online had been a success, and that the computers had been set up in rooms all plugged into power as the batteries on some of these were starting to be unreliable. For future discussion at the next meeting it was raised, that funds may need to be set aside to replace the laptops which are now four years old.

It is anticipated that P&C who provided these resources a few years ago, will need to forward plan having \$75,000 available for this.

This is another example of where the excellent fundraising at the school has provided resources for the school above and beyond standard funding!

Upcoming events:

P & C Meeting: 7:30p.m. (in the Library) Wednesday 20 June

3-6 Disco: 5:45p.m. – 7:45p.m. Friday 22 June

K-6 Athletics Carnival Kiosk and BBQ: 10:00a.m. – 2:00p.m. Wednesday 4 July

Lenny the Guide Dog

You might see or have seen a Labrador named Lenny walking round the school with Alice Clayton, the school banking woman, and her children. All dogs are special but Lenny is extra special. Last year, when the Claytons got Lenny, they started to train him to become a guide dog. Lenny has been training by going to supermarkets, train stations and the children's swimming lessons, to practise being a good boy and sitting nicely like he would have to do if he was a guide dog.

Recently, Lenny has achieved his guide dog in training coat. If you see Lenny with his coat on, he is working and you mustn't go up to pat him. The Claytons are trying to teach Lenny that when he has his coat on, he is working and mustn't be distracted by anything. But, if Lenny doesn't have his coat on, he can play. So if you see Lenny with his coat on, please do not distract him. The coat is bright orange so you will see him easily.

BOOSH

Hello Booshies!!!

Our sustainability week was a success! We have 5 winners of our Sustainability challenge. Our winners are Alex C, Isabella H, Daniel H, Indiana L and Phoenix C. Well done to these children. They will be receiving their prize this afternoon ☺

BOOSH Page 2

On Thursday last week, the Yanny/Laurel Debate had taken over the office, dividing Mel, Steph and Astrid. We decided to settle it once and for all with a little experiment with the children. We played the recording over our megaphone prior to afternoon tea. We then asked the children to stand either on the 'Laurel' side or the 'Yanny' side, depending on what they heard. About 75% of the children were team Laurel (Mel) whilst the other 25% were team Yanny (Steph and Astrid). We are still unsure of what this actually means although the children had fun doing this!

This week at BOOSH is space week ☐

UNALLOCATED PAYMENTS

We have 1 payment that we have been unable to allocate to a family account. Thursday 10 May \$158.39 (No description). If you believe this is your family's payment, please contact Boosh.

When payments are made manually to Boosh, please make sure your child's name is clear in the description as we have many families with the same or similar last names. Alternatively fill in a Direct Debit/Credit form and you don't have to worry about anymore manual payments! Get the form here: <http://www.boosh.com.au/forms-2/>

LOST PROPERTY

It is that time of year again where children are bringing more items to school to keep rugged up from the weather but then seem to go home without them at the end of the day. Our Lost Property buckets are overflowing. We do attempt to reunite items with their owners throughout the week but every Friday the Lost Property is taken up to the school lost property. We also still have one scooter and a helmet left over from Vacation Care. If this belongs to your family, please collect it immediately!

CHANGE TO CHILD CARE SUBSIDY

In preparation to migrate to the government's new Child Care Subsidy Scheme from the beginning of July, we are checking at Centrelink enrolments to ensure they are up to date and 'formal' (free from errors). We will be emailing parents over the coming week if your Centrelink enrolment is showing as 'informal', 'cancelled', or 'suspended'. These families will need to contact Centrelink to ensure their details are corrected. Otherwise they will not be able to claim Child Care Subsidy after Monday 2 July. For further information on the Child Care Subsidy, visit: <https://www.education.gov.au/ChildCarePackage>

AFTERNOON TEA SPECIAL

This week on Thursday afternoon we are doing Nachos! Have a great week!

Does your child play a string instrument? The Beecroft Public School Strings Program welcomes new players of all levels, from Year 1 to Year 6. Violin, viola, cello and double bass players are needed. Students with one year of tuition on their instrument can join the Intermediate Strings and more accomplished players are invited to audition for the Advanced Strings.

Rehearsals are on Monday mornings (Intermediate) and Thursday mornings (Advanced) before school. The Intermediate and Advanced String Ensembles perform at festivals and events throughout the year.

Playing music together is lots of fun and a great way to extend musical learning. If you'd like to find out more, please contact Winnie, the String Ensemble Coordinator on StringsBPS@googlegroups.com.
